

## BRAINSTORM WORKSHOP SURVEY

Before today's class, how would you describe your use of Brainstorm so far?

- Never used
- Some simulation work
- Some experimental work
- Experienced user looking for a refresher

How helpful was today's class in learning Brainstorm? Score from 1 (best) to 5 (worst).

Comments on clarity or pace?

Did you try the online tutorial before coming to class? If so, what parts of the class were most helpful in clarifying the online tutorial?

What topics were missing that you would have liked to see?

Was today's presentation by other Brainstorm researchers useful in better understanding how to apply the software?

How would you describe your plans for future use of Brainstorm?

*(Please use the back of the page)*
